Local Food Programs–Monthly

SHARE Lincoln is a network of non-profit organizations dedicated to providing affordable, quality food packages on a monthly basis. See monthly food packages at www.shareiowa.org

1. Pick one of the locations listed to pick up your food.
2. Call the person to register and pay for your order.
3. Do two hours of volunteer work before you pick up your food.
4. Pick your food up on the date, time and location listed.

Volunteering is any activity you do for free for anyone besides someone who lives with you. So if you call to check on an elderly parent or babysit for grandkids at your house or their house – that counts as volun-

teering. Baking for a neighbor or folding laundry for a neighbor would also count. Taking someone to the grocery store or to Neighborhood F.O.O.D. would count as a volunteer activity. Volunteer two hours per month to qualify, and order as many packages as wanted.

HPRP can provide rental assistance, security and utility deposits, utility payments, moving cost assistance, housing search and placement, legal services to help people stay in their homes and credit repair.

Utilities Information & Assistance

The utility companies should be contacted at the earliest possible time- ideally with the first past due bill. The company will work out a realistic payment plan, and once there is a payment plan in effect, the company most likely will not interrupt service.

Lincoln Electric System (LES) 475-4211

LES will send a disconnect notice when a bill is two months past due, and then the customer will have twelve days before the disconnect occurs. If the customer calls LES as soon as they get the notice and makes reasonable arrangements, the service will not be disconnected.

Lincoln Water System 441-7533

They send a 15 day notice that bill is past due. If the bill is not paid they leave a one day shut off notice at the door. You can call the number listed above to work out a payment plan to avoid shut off.

Department of Health and Human Services 471-7000

If a family is on assistance (AFDC/Food Stamps, etc), they should contact their caseworker. The caseworker will help them apply for the Low Income Energy Assistance Program. If the family is not on assistance, they should call 471-7000 and apply for energy assistance.
