OUR MISSION

Founded in 2003, the mission of the Center for People in Need is to enhance opportunities for families as they address socio-economic barriers limiting their paths to success. Our programs combine to encompass a cohesive network of services for low-income families.

In support of our mission we...

- Assist other human service agencies that are providing for the social and economic needs of low-income, high needs families.
- Provide for the emergency, basic needs of families through delivery of direct services.
- Actively advocate for systemic changes through the state legislature.
- Implement creative means of service delivery to disadvantaged families.
- Support educational and job training opportunities for families and youth.

Emergency Housing

Friendship Home

437-9302

Emergency shelter for battered women and their children

People's City Mission

475-1303

Overnight shelter, 3 meals a day. Men's shelter serves single men. Family and Women's Shelter serves single women or men with children. Showers and laundry facilities also available.

Utilities Information & Assistance

The utility companies should be contacted at the earliest possible time- ideally with the first past due bill. The company will work out a realistic payment plan, and once there is a payment plan in effect, the company most likely will not interrupt service.

Black Hills Energy (GAS)

1-800-303-0752

Once the family receives a shut-off notice they must call Aquila at once. Customer Service is available 24 hours a day, 7 days a week to work out a payment plan.

Lincoln Electric System (LES)

475-4211

LES will send a disconnect notice when a bill is two months past due, and then the customer will have twelve days before the disconnect occurs. If the customer calls LES as soon as they get the notice and makes reasonable arrangements, the service will not be disconnected.

Lincoln Water System

441-7533

They send a 15 day notice that bill is past due. If the bill is not paid they leave a 1 day shut off notice at the door. You can call the number listed above to work out a payment plan to avoid shut off.

Department of Health and Human Services

471-7000

If a family is on assistance (AFDC/Food Stamps, etc), they should contact their caseworker. The caseworker will help them apply for the Low Income Energy Assistance Program. If the family is not on assistance, they should call 471-7000 and apply for energy assistance. If energy will soon be shut off, or has been disconnected, HHS will advocate with the energy company immediately and let them know a plan for payment is in pro-

Utilities Information & Assistance

Lincoln Action Program

471-4515

Lincoln Action Program's Housing and Resource Counseling Program assists families with crisis needs such as rental deposit, past-due rent or utilities. To apply contact LAP to complete an application over the phone or set an appointment to complete the application in the office.

Catholic Social Services

474-1600

Emergency Services Program will provide help with utility bills and rent. It is recommended to contact them early in the week and as soon as possible before the shut off or eviction notice is received because their process takes time. They will call the utility company for the family. They may only help families with children.

Salvation Army

477-9276

Will only assist families in paying utility bills when all other agencies have been unsuccessful. A shut off notice must have been received by the family and the Salvation Army will only pay one half of the bill when there is already a commitment to pay the other half of the bill by the family, another agency, or a church. Applicants must bring photo ID, birth certificates and social security numbers for each household member, proof of income, written reference from HHS caseworker.

St. Vincent de Paul--HELP LINE

438-7761

Leave a message and a volunteer will return your call. They may be able to assist with either partial or complete payment of a utility bill or rent.

Churches

Families that are connected to, or are members of a church, should ask their church for assistance. Many churches have funds available to their members. Some of the larger churches will assist families that are not currently members of the congregation
